

# 2010 TRAINING SCHEDULE

I am pleased to provide all Journeymen and Apprentices with our 2010 Training Schedule. I feel that this schedule will allow us to provide cutting-edge technology and training to laborers throughout the State of Illinois.

With the continued support and guidance of our Board of Trustees, The Illinois Laborers' & Contractors Joint Apprenticeship & Training Program continues to be at the forefront of Construction Craft Laborers Training. In the spring of 2010 we will proudly open our fourth satellite training facility in Edwardsville, Illinois. This will join our current flagship site near Mt. Sterling, IL as well as our additional facilities in Stanford, IL and Marion, IL.

I look forward to a prosperous training year!

**Ron Litherland**

# Policies & Enrollment Procedures

## **ENROLLMENT PROCEDURES & LODGING ACCOMODATIONS**

### **Journeyman:**

- 1) Request a Training Application from your Local Union Business Manager or Company Officer, and indicate the classes you are interested in attending and provide all information requested.
- 2) Sign and date the application and return to your **Local Union Business Manager or Company Officer for signature and approval. Applications will not be processed without proper approval.**
- 3) Class size is limited and enrollment is on a first-come, first-served basis. **The Training Program corresponds through and with the Local Union Business Manager or Contributing Contractor ONLY, and not with any individual.**

### **Apprentices:**

- 1) All apprentices will receive a personal schedule listing their assigned courses for the year.
- 2) Class sizes are limited. ***Please be advised, not all courses will be available at all ILCJATP facilities.***
- 3) **Apprentices must adhere to all approved JATC rules.**

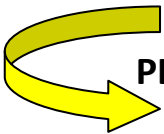

## **LODGING ACCOMODATIONS:**

Lodging is provided to all students who attend 40-hour classes at any of our facilities.

Sunday night arrival is accepted for students attending any ILCJATP facility **PROVIDED that prior reservation has been made.** Anyone arriving on Sunday without a reservation will not be allowed to stay.

**ALL RESERVATIONS MUST BE MADE THROUGH THE MT STERLING OFFICE  
(217) 773-2741**

<b>Reservation Deadline:</b>	<b>12:00 noon on Friday prior to class beginning</b>
<b>Sunday Arrival:</b>	<b>3:00 p.m. to 8:00 p.m. ONLY</b>
<b>Meals:</b>	<b>NO MEALS PROVIDED AT ANY LOCATION ON SUNDAY</b>

**PLEASE CHECK OUR WEBSITE FOR DETAILED DIRECTIONS TO ALL FACILITIES**  
[www.illaborers.org](http://www.illaborers.org)

## **TRAINING ALLOWANCE:**

### **Journeyman:**

\$100.00 per week Training Allowance will be paid to all students attending a 40-hour course at any of the ILCJATP facilities. In the event the class is less than five (5) days, the amount to be paid will be pro-rated on the \$100.00 per week amount.

### **Apprentices:**

\$100.00 per week Training Allowance will be paid to all students attending a 40-hour course at any of the ILCJATP facilities, PROVIDED that their apprentice monthly work records are **CURRENT** with the apprenticeship department **PRIOR** to their enrollment for scheduled class. **If apprentice hours are not current prior to weekly class enrollment, apprentice WILL NOT BE PAID. NO BACK-PAY WILL BE ISSUED.**

# Reporting for Class:

## **CLASS START TIME, PENALTIES, & WORK ATTIRE:**

### **Report Time at All Facilities:**

**7:00am on Monday morning.** Necessary enrollment paperwork must be completed **PRIOR** to entering any classroom.

### **Orientation & Class Begins:**

**8:00am on Monday mornings-ONLY.** Class start time is 7:30am at all facilities Tuesday-Friday

### **Appropriate Work Attire:**

Individuals attending classes should bring appropriate hands-on work attire

This includes: Rubber boots, work clothes, gloves, etc. **NO SHORTS, TANK TOPS, HALTER TOPS, OPEN-TOED SHOES, ETC.**

### **Penalties:**

A penalty of \$10.00 per every ½ hour of tardiness after 7:30am will be deducted from the students training allowance at any of the ILCJATP facilities.

### **APPRENTICE PERSONAL PROTECTIVE EQUIPMENT**

All apprentices attending classes at any of the ILCJATP facilities or any off-site training location will be required to bring their issued Personal Protective Equipment (PPE) **Each** and **Every** time they attend class. This includes their OSHA Standards Book, all which is received during 1<sup>st</sup> week Craft Orientation Class.

**This includes the following: Hardhat, Safety Glasses, and OSHA Standards Regulations Book. \$10.00 per offense penalty for students who do not bring or wear issued PPE as listed above**

## **ENVIRONMENTAL COURSES – TRAINEE RESPIRATOR USE:**

If you are attending Hazardous Waste, Asbestos Abatement, Lead Base Paint Abatement Courses, or Microbial Remediation Courses it is required that you have a current Pulmonary Function Test (PFT) on file before use of a respirator is allowed. ILCJATP have certified individuals to administer this PFT test when you report for any of the above mentioned classes. If there is any doubt of a student's fitness to wear a respirator, a complete medical exam should be undertaken, and the doctor's advice followed.

It is a **MANDATORY** safety rule that **NO BEARDS** or **SIDEBURNS** are allowed that will interfere with the sealing of the respirator to the face. Only clean-shaven individuals will be enrolled in Hazardous Waste, Asbestos Abatement, or Lead Abatement classes.

## **COURSE PRE-REQUISITES:**

All individuals **MUST** complete **Construction Math Course** before enrolling in the **Advanced Blueprint Reading (80-Hour Course)**

All individuals **MUST** complete **Construction Math Course** **AND** one of the following:

1. **Grade Checking**
2. **Blueprint Reading**
3. **Pipelaying**

**BEFORE ENROLLING IN: Global Positioning Systems (GPS) Course** **OR** **Total Stationing Course.**

All individuals wishing to enroll in the **American Concrete Institute (ACI) Course** **MUST** provide the following information before being approved for enrollment:

- **Recommendation Letter from Business Manager or Contractor**
- **Must provide proof of MINIMUM 1,500 Hours of FINISHING Concrete**
