# Trainee Mileage Policy – ALL STUDENTS

Effective September 1, 2014 the Board of Trustees of the Illinois Laborers' & Contractors Joint Apprenticeship & Training Program has implemented a Trainee Mileage Policy. The prior Trainee Stipend Policy has been discontinued.

Highlights of the Trainee Mileage Policy are as follows:

- Trainees who actually drive a vehicle to attend training courses shall be reimbursed mileage to and from the *Trainee's place of residence (on file at Training Fund Office)*, and the *Training Facility* where the course is being conducted.
- **No trainee mileage will be reimbursed to any trainee who does not physically drive to and from a Training Facility.**
- Reimbursable mileage **ONLY INCLUDES THE TRAVEL DISTANCE BETWEEN *Trainee's place of residence* and the *Training Facility*.** Subject to the limit listed below, a Trainee may be reimbursed mileage for multiple trips (commuter students), incurred for traveling between their residence and the Training Facility. **All other mileage is deemed a personal expense and is NOT reimbursable.**
- Reimbursable mileage rate shall be the applicable IRS reimbursement rate. The mileage reimbursement rate shall be set by the Board of Trustees and may be changed at their sole discretion.
- **The maximum reimbursement for mileage per Trainee / per class is \$150.00.**
- Mileage will only be reimbursed for a Trainee attending a three (3) or four (4) day training course which requires the Trainee to travel to a Training Facility.
- Lodging will continue to be offered to those students who travel a great distance; however those students will receive only one (1) round-trip mileage per week, subject to the mileage limit of \$150.00.

As is current policy, all apprentices are required to have current work hours on file in the Fund Office at the time of class. If apprentice has delinquent hours, they **WILL NOT RECEIVE TRAINEE MILEAGE ALLOWANCE.** There will be no retro-active payment.
