Re: RESCINDING OF VACCINATION POLICY

The Board of Trustees of the Illinois Laborers' & Contractors Joint Apprenticeship and Training Program recently reviewed the Governor's Executive Order 2022-16 issued on July 12, 2022, which rescinds the vaccination and testing requirements for higher education personnel and students.

In light of Executive Order 2022-16, the Board unanimously approved **rescinding the current vaccination and testing requirements for all Apprentices and Journeypersons, effective July 25, 2022.**

The current vaccination policy will remain in effect for Fund Personnel.

I greatly appreciate your continued support of our Training Programs and our goal of a safe and healthy workforce.
